The award-winning seat for comfort and safety.

SP:

Allows you to switch from car to stroller with a single click facilitating the mobility of the family in the first months of life of the child, fostering its rest.

MAIN BENEFITS:

- Allows you to travel safely:
 - It meets the high safety criteria set by the new ECE R129 standard.
 - Maximum protection in case of side impacts, thanks to Side Head Protection technology.
 - The matching with the i-Size base remarkably decreases the risk of an incorrect installation inside the car.
- It guarantees maximum comfort for the child:
 - The generous dimensions and the tilt angle guarantee the child an ideal posture.
 - The adapter in soft jersey fabric and breathable 3D mesh on the back, welcomes and protects the child in the first months of life.
 - The seat structure has 149 holes for ventilation, spread uniformly.
- Easy and practical to use:
 - Easy to carry, thanks to the carry handle with ergonomic handle and its light weight (4,75 kg).
 - Equipped with a practical central release mechanism, located on the back of the backrest.
 - The headrest can be height-adjusted via a central control, and is integrated with the belt system to easily adapt to the growth of your child.
 - The child car seat and hood fabric linings are removable and can be hand washed at 30°C.

ADDITIONAL BENEFITS:

- The hood is fitted with an additional removable sun visor and is made with a fabric having UPF50+ treatment for protection against UV rays.
- Padded shoulder straps and crotch strap are covered with soft Lycra fabric to avoid the harness rubbing against your child's delicate skin.
- Can be used as a baby carrier and baby chair at home, when attached to the Standup support.
