

DESCRIPTION:

The contemporary design of the eating high chair can be used from birth up to 36 months of age.

PAY OFF:

My first meals in full comfort.

MAIN BENEFITS:

- It can be used from the very first months as a rocking chair thanks to its ergonomic shape, the seat completely reclining and the soft and enveloping padding.
- It favours the rest of the child after eating, thanks to the backrest that can be reclined to the sleeping position and the footrest that can be adjusted to 3 positions.
- It adapts to all situations thanks to the seat which is height-adjustable in four positions.
- It guarantees maximum hygiene: the stain-resistant coating can be easily washed with a sponge. It can also be easily removed for even deeper hygiene. The service tray can be detached and is dishwasher safe.
- Once closed it takes up very little space and stands alone.

ADDITIONAL BENEFITS:

- It allows a quick and easy accommodation of the child thanks to the two positions of the main tray.
- It adapts to the growth of the child, thanks to the possibility of adjusting the height of the back straps.
- It moves easily inside the house thanks to the 2 rear wheels.
- The tray can be stowed away thanks to dedicated seats in the rear tubes.
