

doomoo®

How to refill your doomoo ?

Step 1 : Unzip the zipper of the pillow and take out the filled inner bag

Step 2 : Use a paperclip to open the zipper of the innerbag

Step 3 : Open the zipper

Step 4 : Open the innerbag

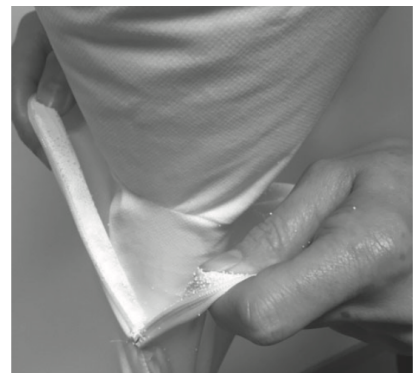

Warning! Due to static electricity the small microspearls will come out of the bag a bit. Keep your vacuum cleaner closeby.

Step 5 : Remove the sticky lable on top of your doomoo refill bag and take out the filling tube.

Step 5 : Cut off the top of the doomoo refill bag, just below the stiching.

Step 5 : Fill the innerbag of your doomoo by holding the refill bag upside down.
